**H**ey, Atascosa County! Can you believe it's already the week of Christmas?

This year sure has flown by. I wanted to take a moment to wish each one of you a super Merry Christmas! It's that special time of year when we get to kick back, hang out with our families and friends, and soak up the holiday spirit. I can't thank you all enough for the incredible support you've shown this year. It's been a real whirlwind, learning so much and meeting many fantastic folks from across our county and beyond. Your support has made this year one for the books. Truly. As we head toward the new year, we've got some big plans in store for 2024, and I can't wait to share them with you real soon. Together, we're going to make it an awesome one. But for now, let's focus on what matters most and that's time with family and our loved ones. Remember to stay safe and take care of each other. Wishing you all the happiest of holidays. From, Judge Weldon Cude.
